WESTHAFEN EVENT &  
CONVENTION CENTER  
BY 40 SECONDS BERLIN

A wide-angle photograph of an outdoor event at dusk. The scene is set on a cobblestone-paved area with railway tracks. On the left, a brick building is illuminated with red lights. In the center, a large crane with a red-lit cabin stands on a concrete structure. To the right, a wooden bar with a canopy is lit up, and several people are gathered around it. The sky is a deep blue, and the overall atmosphere is vibrant and social.
